ABOUT

Since the beginning of my career working in the international environment.
Each day trying to improve both hard and soft aspects of software development in order to get the most out of the time spent working. Mostly dealing with JS technologies but had quite some experience in native iOS development as well.

Tech nerd, car enthusiast, casual gamer.

Located in Kraków, Poland
Born 07/11/1994

Speaking advanced English (C1)
Learning German and Spanish

EXPERIENCE

12.2018 - Currently Senior Full Stack Engineer Ringier Axel Springer Tech Kraków, Poland	Taking part in development of six Swiss sites. Direct contact with client, relation building.	React SSR, Redux, GraphQL, TypeScript, Node.js, AWS
